Pre-registration is vital to the convention planning process. When you pre-register, you help pay for the convention meeting space, services, equipment, printing of programs/brochures, and the necessary expenses prior to the convention. It is easier to adequately plan for attendance and hospitality. For these reasons, we ask if you can, please take advantage of the discount offered and register today. IF you are physically limited in anyway, or have other special needs of any kind, please let us know in advance so we can accommodate you. Please remember to reserve your room as soon as possible.
